ARTICLE VI
RETENTION OF BENEFITS & ADDITIONAL BENEFITS

A. Except as otherwise provided herein, all benefits which employees have heretofore enjoyed and are presently enjoying shall be maintained and continued by the Township during the term of the Agreement.

D. Peak Time Scheduling

It is recognized that the summer months of employment are the peak work time of the Township. During this period, vacations shall be scheduled with the approval of the Chief of Police, Deputy Chief of Police, or designee, and the employee's immediate supervisor in such a fashion so that the Department shall have sufficient personnel available to perform its functions. The approval or denial of such requested leave with short notice shall be at the sole discretion of the Superior Officer to whom the request may be made. - C. If the Employee makes the request for the personal day leave forty-eight (48) hours before the shift is to begin, then the supervisor shall obtain a replacement in advance and the leave will not be denied unless an emergency situation exists. The Chief of Police, Deputy Chief of Police, or designee shall make the determination of what constitutes an "emergency situation".
- D. No more than one personal day per shift on first come first serve basis shall be permitted, unless otherwise approved by the Chief of Police, Deputy Chief of Police, or designee.

ARTICLE XI

SICK LEAVE

A. Sick leave shall accumulate at the rate of one and one-quarter ($1 \frac{1}{4}$) days per month in the first year of service, commencing on the first month or major portion thereof from the date of hire. It is assumed the employee shall remain in the service of the Township for the remainder of the calendar year and the total number of sick days, pro-rated, and shall be credited to the employee. If separation occurs before the end of the year and more sick leave has been taken than appropriated on a pro-rated basis, the per diem rate of pay for the excess shall be deducted from the final pay. Sick leave shall accumulate from year to year with additional fifteen (120) hours credited to the employee at the beginning of each successive calendar year.

B. Any employee eligible to retire in a calendar year shall notify the Township in writing through the Chief of Police, Deputy Chief of Police, or designee, no later than January 15th of that year, but in no event less than thirty (30) days prior to the planned retirement date or eligibility date of the following:

1. Intent to retire or not
2. Choice of terminal sick leave or payment for unused sick time

Failure by the employee to make timely notice to the Township shall limit the retiring employee to the payment for unused sick time as heretofore provided; and the Township shall have the sole option to defer making this payment until the next calendar year.

C. Upon retirement, police officers shall be paid for sixty percent (60%) of all unused sick leave which they have accumulated. The maximum amount paid to an officer for unused sick leave shall be the equivalent of five (5) months' pay, if accumulated, at the time of retirement, rounded up to the next \$100. Unused sick time shall be paid within sixty (60) days of retirement, unless mutually agreed upon by both the retiree and the Township to defer or expedite payment.

D. Alternatively, a retiree may opt to take terminal leave in lieu of the payment described in Section C. If so, he or she may take time equal to sixty percent (60%) of unused accumulated sick days, but in no event shall exceed five (5) calendar months. Compensation during this time shall be at a regular base pay including any holiday pay and longevity.

E. Work loss due to injury or illness possibly arising out of the course of employment shall not be chargeable to sick leave until and unless the employee's Worker's Compensation claim is denied.

G. Maternity Leave

1. Female officers shall be entitled to utilize the sick leave and/or disability leave provided in Section A. of this Article in connection with any illness, injury or disability arising from pregnancy, including the period of disability following the birth of a child. At a minimum, a female officer shall be entitled to utilize the disability leave provided by FLSA for the period 10 weeks prior to the due date of the birth of a child, and for six weeks following the birth of the child. Such disability leave shall not be available to an officer for

the normal care of an infant; though sick leave as provided in Section A will be available for the care of an infant due to illness. Sick leave shall also be available to male or female officers for the care of family members, resulting from the pregnancy, including the birth of a child in the same manner as such sick leave would be available to an officer for the care of any other immediate family member.

2. A female officer shall advise the Chief of Police, Deputy Chief of Police, or designee, in writing as soon as she has received confirmation of her pregnancy from a doctor. The female police officer shall be permitted to work so long as her doctor permits such work. The Department shall have the right to request a note confirming the doctor's opinion that the officer is able to continue to perform the work of a police officer assignment. The medical note shall be from a physician of the officer's own choosing. However, the Township reserves the right to have the Police Physician consult with the officer's physician for the purpose of determining whether the officer shall be approved for duty. The information obtained from such consultation shall be shared with the Chief of Police, Deputy Chief of Police, or designee, and the Township in a manner limited to providing only that information necessary to advise the Township of the officer's availability for duty and the nature of that duty.

H. Officers may use sick time as set forth in Section A to care for an immediate member of their family. An "immediate" family member shall be limited to the officer's spouse, child, stepchild, parent, spouse's parents, or any other family member that resides in the officer's home and is reliant upon the officer for care and support. The Chief of Police, Deputy Chief of Police, or designee must approve any exceptions to this provision.

ARTICLE XII

- C. Bereavement leave of eight (8) hours per death of a niece or nephew of the employee or his or her spouse shall be granted.
- D. Such bereavement leave is with pay and is not chargeable against vacation, personal or sick time leave. Where common disaster results in the death of more than one such relative within forty-eight (48) hours, no more than (10) days bereavement leave shall be granted.
- E. An employee whose spouse or child dies is to be given an additional fifteen (15) days bereavement leave before he or she must report back to duty, which time shall not be deducted from employees vacation, personal or sick days.

F. In the event of the death of a member of an employee's family while said employee is on vacation or holiday leave, said employee shall be entitled to funeral leave as it is authorized by this Agreement and such leave shall not prejudice an employee's vacation rights granted by this Agreement. The employee, in mutual agreement with the Chief of Police or designee, in such cases, shall be required to reschedule his or her unused vacation time in the same calendar year.

G. Exceptions to these time limitations may be made by the Chief of Police, or designee, upon timely notification by the Officer when the deceased is buried in another state and the officer will be unable to return for duty and adhere to the time limitations stated in Paragraph A and B above.

H. An officer shall be entitled to take comp time or "Murphy Time" required to complete a twelve (12) hour tour when there is a balance of bereavement time that does not round out into a full tour of duty.

ARTICLE XIII
ESTATE BENEFIT

A. The Township agrees to be responsible for the cost of all burial expenses for an officer who is killed in the line of duty to a maximum of \$10,000.00.

B. In the event of the death of an employee, whether on or off duty, his or her survivors will be paid for the employee's vacation days, personal days, compensatory time, holidays, salary and severance pay, etc. There will be no pro-rating. This payment shall be paid to the employee's survivor(s) within thirty (30) days, but in no event later than sixty (60) days from the date of the death of the employee.

ARTICLE XIV
UNIFORMS

The present uniforms supply policy of the Township shall be as follows:

A. Uniformed officers shall be provided their uniforms and required equipment, which uniforms and equipment shall be replaced as required and as approved by the Chief of Police or designee.

B. Plain clothes Detectives shall have an annual allowance set forth by the schedule below, which funds shall be used to provide clothing necessary for the performance of their duties. Such payment shall be included in the base salary of the officer who receives the allowance.

2007- \$1,157.63

2008- \$1,215.51

C. Uniforms shall be cleaned at the expense of the Township by delivery to dry cleaning establishments designated by the Police Department.

ARTICLE XV
MEDICAL BENEFITS AND EXAMINATIONS

A. Each employee shall be entitled to a medical examination by the medical officer employed by the Employer once a year, such examination to include x-rays and blood tests. The physicals will be conducted by either Ocean Medical or Island Medical, at the officer's discretion. A copy of the medical report from the physician shall be delivered to each member. Any medical reports that are provided to the Township as a result of this or any other medical examination shall be strictly confidential and viewed only on a need to know basis.

B. The Township recognizes that police officers, as a result of the nature of their duties, are subject to physical and emotional demands, which frequently cause medical problems. Accordingly, heart attacks, strokes, coronary problems and nervous disorders are considered job-related injuries for the purpose of Workers' Compensation claims and other medical benefits.

C. It is further understood that if an officer is injured on his or her way to work or on returning from work, such injury will be considered job related for the purposes of Workers' Compensation medical benefits.

D. The Township agrees to provide a dental plan equivalent to what is currently provided by Delta Dental; an eyeglass plan and a prescription plan with a \$5 co-pay for generic prescriptions and a \$10 co-pay for name brand prescriptions to all employees. This coverage, along with the New Jersey State Health Benefits Program shall be provided to the employee by the Township and continue to be provided to the employee by the Township upon the employee's retirement at twenty-five (25) years of service at no additional cost to the employee.

E. The employer shall continue to provide and pay for any and all medical benefits to the spouse and the dependant children of an officer who is killed while still employed.

F. The Township's current health coverage provides for certain medical benefits upon retirement. The PBA and the Township agree that the Township has the right to contract with other hospital and medical insurance carriers in order to provide coverage, which is equal to or greater than the benefits currently available under the policies provided. The parties further agree that the Township will give notice to the PBA of at least sixty (60) days of the Township's intent to change insurance providers. Should a dispute arise as to whether or not the change of policy proposed will be equal or greater than the current benefits, the matter will be submitted to binding arbitration in accordance with the arbitration procedures established under the Grievance Article of this Agreement. The decision of the arbitrator shall be in writing and shall be final and binding on all parties.

ARTICLE XVI
COLLEGE INCENTIVE PROGRAM

A. The Township agrees that the amount and quality of any employee's education often determines the value of his or her contribution to the community and the degree of proficiency with which he or she performs his or her duties. In order to provide an incentive to encourage the employees to achieve the advantage of higher education, the Township agrees that each employee who receives academic credit for study in an institution of collegiate level which offers a college curriculum leading to or accreditable toward an undergraduate baccalaureate or associate degree in law enforcement or other related curriculum shall be paid a college incentive program compensation at the rate of \$10.50 per credit per annum as additional compensation. Such additional compensation will be paid only for credits up to and including the baccalaureate degree. Such additional college incentive program compensation shall be added to and become part of the officer's annual salary, commencing the pay period next following production of evidence or proof of completion of said credits or degree.

Associate Degree or 64 credits.....\$672.00

Baccalaureate Degree or 128 credits.....\$1,344.00

B. The Township shall allow the officers to attend college off duty and will fund both tuition and book fees, keeping a running account of these expenses. There will be no limit to the number of officers attending college at any given time. For as long as there is a balance due in the account of the expenses funded by the Township to the officer, any monies which would have otherwise been paid to the officer pursuant to the college incentive program compensation set forth above will instead be retained by the Township to reimburse it for the expenses paid by the Township for the officer's college credits.

C. Upon graduation and the awarding of a degree, the college incentive program compensation shall continue to be paid to the Township until the Township is completely reimbursed for the expense of the officer's education. This procedure shall only apply to those officers pursuing a degree in law enforcement or other related curriculum.

ARTICLE XVII

HOLIDAYS

A. The Township recognizes that the fact that officers are regularly scheduled to work holidays may cause a hardship on their families.

Commencing January 1, 2004 and each year thereafter, all Officers will receive 80% of 21 days pay, which will be added to their base salary. This will be added before computation of the overtime rate and longevity. The parties agree to re-open negotiations should the Division of Pensions grant an additional "holiday", suspend or reduce the Township's contribution to the fund in any year.

B. The Township and the PBA agree to recognize as holidays such additional days as shall be designated for all of the Township of Long Beach as set forth in the appropriate ordinance or resolution adopted by the Township for such purpose.

C. Employees of the Police Department shall receive time off (comp time) in a manner commensurate with other Township employees. The P.B.A. agrees that this clause shall be exclusive of the Friday after Thanksgiving only, thereby meaning that the other Township employees can be given the Friday after Thanksgiving without the PBA members being entitled to compensation time for working or other payment for working on this days.

D. As a result of collective bargaining negotiations between the Township and PBA Local 373 the parties have agreed to include holiday pay in base as set forth above. The percentage figure has been arrived at by mutual agreement between the parties and in consideration of the Township's payment or pension payments on behalf of the members of Local 373 to the Police and Fire Retirement System for each member.

ARTICLE XVIII
HOURS OF WORK AND OVERTIME

A. The guidelines for the work schedule (12 hour shifts; 2 days on 2 days off, 3 days on, 2 days off, 2 days on three days off, the three day tours being Friday, Saturday and Sunday) as presently constituted and incorporated herein shall be maintained for the life of this Agreement. The Chief of Police shall have the ability to schedule Detectives to a ten (10) hour schedule (4 days on, 3 days off). Overtime shall be paid in accordance with the law in such case made and provided. The officers shall be paid time and one-half of annual salary when required to perform duties which take time in excess of the normal work schedule or for work performed in excess of their regular scheduled work time, all in accordance with the law in such case made and provided. Paid overtime shall be paid for regular duties as well as for range, classes and meetings. Such overtime shall not be less than two hours per range session, class or meeting. Paid overtime shall not be paid when the officer is in regularly scheduled training programs outside the limits of Long Beach Township. Time spent for such training shall be compensated by an equal amount of time off. This shall be limited to traveling time plus time spent in training.

B. Overtime shall be paid to each officer by separate check on the payday next following the pay period in which the overtime pay was accrued. At the option of the officer, compensatory time off in lieu of overtime may be taken. If compensatory time off is taken it shall be at the same rate as overtime (time and one-half) as per Garcia FLSA Act.

C. Overtime work, when necessary, shall first be offered to regular members of the Police Department on an equitable and rotating basis, based on seniority at each rank.

D. If an employee is called for work for an emergency situation or to cover for another employee who is absent, said employee shall receive a guarantee of not less than four (4) hours work, notwithstanding the fact that the actual work performed may be less than provided by this guarantee. This minimum shall not apply to overtime worked at either end of a regularly scheduled shift. Any officer required to be "on-call" will receive one hour of comp time for each scheduled day and two hours for each day off. "On-call" will be defined as a situation where the officer is required to be prepared to respond during his regularly scheduled days or hours off.
